"We will get out of this what we put into it -- and more"

## "WALK ON THE WILD SIDE"

Saturday, May 2nd  
10 AM (Registration 9:30 AM)  
Gray Wildlife Park

We'd like to remind everyone once again to please come out and join us for this event! We're hearing from many of you that you're planning on attending, so we're definitely getting excited that this is going to be a fun and successful day! It's through fundraisers like this that we will be able to continue to provide weekly activities and events, so we really appreciate everyone's efforts and involvement. It's not too late to pick up a collection envelope and get sponsors/donations. Please visit our website to download and complete a pre-registration form prior to the event, because we're expecting a good turnout! Refreshments will be provided to all walkers, and a tour from Park Staff is available to any walker each hour from 10 to 2 PM; balloon animals, face painting and music for the kids; let's just all hope for great weather!!! And see you then!

## NEW FOUNDATION BUILDING NOW OPEN

225 Pequawket Trail in East Baldwin is now open for business! Workers will be starting at L-oma Buckwheat Pillows the week of April 6th; if you're interested in working at L-oma, please give us a call! Daily activities are also beginning there on April 6th; you can check out the calendar on the reverse side. All activities will be held at the Foundation building unless otherwise indicated. We're open to anyone who has ideas for other groups or activities that we're not currently offering, so please contact Shannon if you have any thoughts. We'll be having an official Open House next month, so stay tuned. The Foundation building is also open to anyone individual or group that would like to make use of it when scheduled activities aren't taking place, please contact Gregg FMI.
